

# An Internet nerd dizzily reports on an incident

(Inspired by Hank Senior)

Words & Autoharp melody playing chords by Ziggy Harpdust, 2009

G

1. Yes,  
2. But

yes - ter - day night it was sul - try and hot.  
then comes re - lief and the curr - rent comes back:

Then came the wind - storm, light - nings a lot.  
Up comes my rou - ter, up comes my Mac, \_

Out went the lights and \_ out went my Mac,  
phone and the In - ter - net, all things all right.

no e - lec - tri - ci - ty. all world was black.  
Thanks e - lec - tri - ci - ty, I see the light!

I need see a light, \_ I need see a light, \_  
I see the light, \_ I see the light, \_

re - stor - ing screen glow shine a - gain bright! \_  
dis - pelled the dark - ness, dis - pelled the night! \_

Is there an end to this out - age in sight? \_  
This nerd is hap - py, no sor - row, no fright! \_

No e - lec - tri - ci - ty: noth - ing is right!  
Yes, e - lec - tri - ci - ty makes hearts get light!
